Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. §§ 1.56 and 1.97 to inform the Patent Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of any claim of the application, Attorneys for Applicants hereby invite the Examiner's attention, to References B01 and C01-C21, cited on the attached Revised PTO Form 1449. A copy of the B01 document is attached. Copies of the C01 through C21 documents are not available at this time. However, copies will be submitted with a Supplemental Information Disclosure Statement as soon as they are available.

The references B01, C01, and C02 were cited in a Search Report in the corresponding PCT Application No. PCT/CN2004/000069. A copy of the Search Report is also attached.

Identification of the listed reference is not to be construed as an admission of Applicants or Attorneys for Applicants that such reference is available as "prior art" against the subject application. Consequently, Applicants respectfully decline to use Form PTO-1449, since this form identifies all of the references therein as "Prior Art." As an alternative, Applicants submit herewith a "revised PTO Form 1449" entitled "List of References Cited By Applicant" instead of "List of Prior Art Cited."

Applicants respectfully request that the Examiner review the reference and make it of record in the present application by signing and returning the enclosed List of References Cited.
